Rev. Darren Bellamy, Pastor  
McNeil Chapel Missionary Baptist Church  
370 McNeil Chapel Road  
Longs, SC 29568

Dear Rev. Bellamy,

I would like to take this opportunity to thank you and the deacon board for allowing me to conduct the workshop in “Learned Behaviors and Your Challenge” on December 1, 2007, in the church’s fellowship hall. In addition, I want to thank all team-facilitators/presenters, participants, and especially to Deacon John I. Wilson for his successful efforts in facilitating the date, time, and other logistical aspects of the workshop to make it successful. In addition, I would like to extend special thanks to Sister Rose Grissett, Sister Peggy Livingston, Sister Veanna McCray, and Sister Beverly Wilson for their excellence in working with the students as team-facilitators.

I have attached a report on the distribution of attendees, feedback, and comments made by the participants. In addition, a report with the names and contact information of all attendees is being sent to you under a separate cover.

I certainly enjoyed the workshop and based on the feedback results, everyone seemed to have enjoyed it, too. I feel that the workshop was productive and inspiring; therefore, it is my hope that adults will follow-up with the children on the progress that they are making in unlearning bad behaviors and reinforcing the good behaviors. Thank you.

Sincerely,

David C. Wilson  
Owner / Principal Consultant
